

Topics to be covered for training on Central Portal

25th December 2018

1. About the central portal

The central portal has been developed to integrate various databases related to School Education System. It covers U-DISE, SDMIS, eHRMS, AMS-MDM etc. It will cover every minute details about infrastructure at Schools, Teachers, Students, coverage of Mid day meal as well as various incentives given at Schools, like, Kanyashree, Saboojsathi, Swami Vivekananda Merit cum means Scholarship, Text Books, Exercise Books, School Bag, Shoes, Test Papers etc.

It will help to get real time information on Schools, its infrastructure, Teachers & Scheme Coverages etc for all the stakeholders based on their accessibility.

The Central portal will be available at www.banglarshiksha.gov.in . It will consist of the following databases:

- a. *School database*
- b. *Teacher database*
- c. *Student database*
- d. *Mid-day meal Database*
- e. *Kanyashree Database*
- f. *SaboojSathi Database*
- g. *Scholarship Database*
- h. *eHRMS Database*

Along with Central Portal, a **School Management System** is also being developed for digitizing various activities at School. The School Management System will also consist of School Websites which is now being developed on pilot basis for Govt Schools.

2. Stakeholders of central portal

There are various stakeholders of the Central Portal at different levels which includes Hon'ble Chief Minister, Hon'ble Education Minister, District Magistrates, DI of Schools (SE / PE), Chairman of DPSCs, OC, Mid Day Meals, DPO-Samagra Shiksha Abhiyan, SIs (Circle level), Head of Institutions etc.

- a. State level users
 - i. Chief minister

3. Stakeholder's login

The stakeholders will use their login which they use in eHRMS portal (osms.wbsed.gov.in).

The login credentials to log in Central Portal for HOI

URL: http://ehrms.wbsed.gov.in/sims_new

User ID: <DISE CODE>32

Example: 19*****32

Password: Central_portal@#123

Login credential for SIs for login to Central Portal

for SIS

ID- <i-OSMS Code>09

Example- 19xxx09

Password- Central_portal@#123

For DDO

ID- <i-OSMS DDO Code>40

Example- 19xx40

Password- Central_portal@#123

for DPO

ID- <District Code>02

Example- 19xx02

Password- Central_portal@#123

for DI Primary

ID- <DISTRICT CODE>03

Example- 19xx03

Password- Central_portal@#123

for DI Secondary

ID- <DISTRICT CODE>04

Example- 19xx04

Password- Central_portal@#123

4. Stakeholder's dashboard

Every stakeholder will have their own dashboard which will highlight various important indicators, like, Student-teachers Ratio, Schools with Single Teacher, Infrastructure availability at Schools, Coverage of Kanyashre / SaboojSathi & other benefits.

5. Roles of SI, HOI, AT and DI

For Secondary & Primary Schools, the Head of Institution will have the responsibility for arranging data uploading as per U-DISE & SDMIS format, developed as online form in the Central Portal. The data validation & final approval will be accorded by concerned SIs for both the tiers.

6. The **data management of Schools & Teachers** of Govt aided & Govt Sponsored will be done through eHRMS portal as per existing protocol.
